WELCOME TO THE BENSALEM DISTRICT EVENT!

Greetings from the Bensalem Township School District and the FIRST Mid-Atlantic Region Event Planning Committee and welcome to the home of the Fightin' Robotic Owls in beautiful Bensalem, Pennsylvania!

The township of Bensalem, located on the southwestern tip of Bucks County, is known as the "Gateway to Bucks County." The township, which was founded in 1692, is almost as old as Pennsylvania itself, which was founded in 1682. Benjamin Franklin would often travel to Bensalem to visit his friend, Joseph Galloway, at Growden Mansion. The modern-day township, which encompasses just under 50 square miles, is the largest municipality in Bucks County. Bensalem offers a bustling economy and diverse population, a stunning state park on the banks of the Delaware River, and plenty of urban attractions from gambling and horse-racing at the Parx Casino and Racetrack to attending concerts at the TD Bank Amphitheater. These are just a sampling of the many reasons why Bensalem was listed as #46 on Money Magazine's 2014 "Best Places To Live."

The FIRST Mid-Atlantic District Event Committee welcomes everyone to our newly renovated Bensalem High School. Good luck to all participating teams! Please use this guide as a reference for our competition; it is full of helpful information that will assist your team as you plan for this event. If you have any questions, please reach out to us using the contact information listing in this brochure.

This guide will outline the information you may need if attending the competition but in case your questions are not answered, please contact your respective leadership:

SENSORY BAG INFORMATION

More information available at: <u>http://team5401.org/sensory-bags/</u>

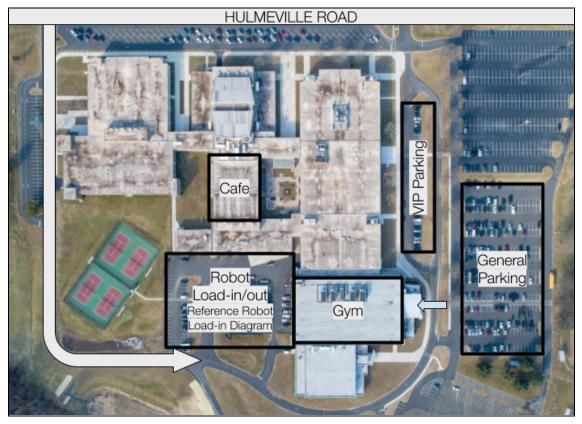

At our district event, we provide sanitized sensory bags for those who feel overwhelmed at competitions. They're free and available at our ticket booth across from the main lobby snack stand. When you check them out the bags come with multiple fidgets to calm anxiety and stress symptoms that come with going to competitions. As a team, our main goal is to give people a safe place which is why we also have a Quiet Room available. The Quiet Room is located in our school audion where those who feel overwhelmed can come to a place to cool down.
